By frequency: <http://www.hfcc.org/data/A05drm.html>
- \*Martin Schoech's new DX obituary website:  
<http://www.schoechi.de/obituary.html>
- \*Israeli government dismisses director of IBA, Yosef Barel for violating rules of conduct; one contender to replace him was Amnon Nadav [didn't get it]; head of English news says Barel kept English on the air
- \*Israel moved from 11605 to 11590 for English at 1900 to avoid Sweden; best here on 15640, also on 15615
- \*Republic of Iraq Radio, English at 1030-1120 moved to 2215-0030 varying to 0130; on FM 98.3, MW 675, 603, Arabsat, Hotbird 4,  
<http://www.iraqimedianet.net>
- \*Coalition Maritime Radio One on new 9133-USB, also on 6125, and hopes to resume 15500; 9133 confirmed at 1700-1830+, 1110, multilingual music, announcements asking for info on terrorist activities  
<http://www.me.navy.mil/mar10>
- \*On 15500 is Salaam Satandar, Internews via UK to Afghanistan, at 1330-1431\*
- \*All India Radio April 30 at 1654 on 3220, apparently Shimla off 3223, but back on proper frequency next night
- \*AIR T'puram 7290 putting out spurs at multiples of plus and minus 24 kHz, 7002 to 7362; hams complain but station denies the problem
- \*Bhutan Broadcasting Service, 6035, plans to phase out SW at end of 2006 when FM coverage of Bhutan is complete
- \*Radio Station Pacific Ocean (Tikhyy Okean), Vladivostok, is back since April 17, 0835-0900 on 810 and 12065; daily or weekly?
- \*V. of Indonesia, 9525, thundering into Alberta at 1950 [not 1850] in German; also here at 1850 in French, but gone by English at 2000, 315 degree beam; 9525 earlier until 1400\* is 30 degrees, better for NAm, and well heard here, but no English; they leave open carrier on past 1430. Should put English on at 1400 or ex-Korean at 1200
- \*ARDS, Humpty Doo, Northern Territory, back on 5050, heard in Australia overriding Tanzania, at 2010 April 13

- \*DRM transmitters under installation at R. Australia's Brandon, Queensland site
- \*RNZI, 15720 was missing at 0300 UT April 29; due to regular monthly maintenance period, usually Thursday for 4-5 hours between 2230-0500 but this was Friday and lasted longer than planned until 0745; may be more downtime as DRM transmitter is being installed
- \*Solomon Islands, 5020 running half power to save costs, only 6 kW
- \*The end of the Crocodile DX Hunter, Craig Edwards, a real fun read; [http://www.dxing.info/dxpedititions/townsville\\_2005\\_02.dx](http://www.dxing.info/dxpedititions/townsville_2005_02.dx)
- \*World of Radio 1273, P O Box 1684, Enid OK 73702 USA; woradio at yahoo.com Our website is <http://worldofradio.com>
- \*Thanks this week for financial support go to Jerry Kiefer [Not Jim!]
- \*Voz Crista, Chile, makes excuses about how they happened to land on the only Antarctic frequency, 15475; did not even know LRA-36 existed but receiving lots of complaints. At 2000 I still hear VC on 15475, het from Antarctica on 15476. Solution is obvious: VC move off 15475, at 1800-2100, and also from 1600 to avoid Gabon
